COMPATIBLE WITH LEADING GAMES CONSOLES

Get straight to the heart of the action with Epson projectors. Your favourite games will look bigger, better and brighter on the big screen. So get ready to be amazed and delighted with a whole new gaming experience.

Quick and easy set-up
Easily connect to your favourite games console via HDMI. Compatible with all quality makes.

Superb picture quality
Enjoy clear and vibrant life-like images. All thanks to Epson 3LCD technology.

Long lamp life
Enjoy superb viewing day after day with Epson long-life lamps. Built for durability, with a low energy use, it will be a long time before it needs to be replaced.

Daylight viewing
Enjoy the game in broad daylight with all the colour and clarity you need.

Transport easily
Stylish and lightweight, you can move your projector from room to room – or take it with you whenever you like and share the experience with your family and friends.

PLUG IN AND PLAY

Take the action to any room in the house. Lightweight, sleek and portable, you can easily move and play wherever you want.
